IRIScan™ Pro 5 File

Automate yours scans & classify your files easily!

The IRIScan™ Pro 5 File is a multi-functional duplex color scanner with ultrasonic feature. Thanks to its amazing value-for-money software suite, it offers small businesses and independent workers a powerful tool to improve their productivity:

- Scan any type of document - Contracts, invoices, receipts, bills, business cards and even plastic cards (ID, Credit cards, etc.) can be scanned at a very high speed (23ppm).
- Convert any paper document, PDF or image into digital files that can be edited, indexed and shared - Thanks to the included Readiris™ Corporate OCR software.
- Scan, recognize and manage business cards - Thanks to Cardiris™ Corporate, users keep their electronic contacts up-to-date in their favorite Contact Manager (Outlook®, Act!®, etc.) or in the Cloud (Google™ Contacts, Salesforce™, Microsoft® CRM).
- Classify & rename batches of documents easily! IRISmart™ File allows you to either rename on the fly all your documents (paper & digital) or to choose a predefined automatic naming. Those files will then be sorted in specific folders, based on your own needs, and automatically converted to compressed PDF format, fully searchable!
